Who Are We?

Creating moments like this for our pupils through Music

MUSIC
MASTERS

School leadership

One of the biggest impacts of working with Music Masters and bringing music into the school has been a positive change in the behaviour of the children. The concentration and commitment and dedication of the children today was not there 11 years ago. The impact that Music Masters has had on the children is remarkable.

Martinet Ackerman, Assistant Head at Jessop Primary School (2020)

The Music Masters logo features the text "MUSIC MASTERS" in a bold, white, sans-serif font, centered within a white starburst shape. The starburst is composed of several thin white lines radiating from a central point, creating a star-like effect.
